EDUCATION REGULATIONS 2012

Notice of Policy by the Minister for Education

PURSUANT to *Regulation 60(2)(a)* of the *Education Regulations 2012*, I, the Minister for Education publish the following Capacity Management Plan for the purposes of the enrolment of a child at the Henley High School:

CAPACITY MANAGEMENT PLAN

Henley High School

This Capacity Management Plan sets out the conditions for enrolment at Henley High School ("the school").

Capacity of School

The school has a current school enrolment capacity of 1,300 mainstream students.

Henley High School zone

A school zone is a defined area from which the school accepts its core intake of students. Henley High School operates a school zone, within the area bounded by:

Grange Road, Tapleys Hill Road, Milton Avenue, Debney Street, Motley Avenue, the River Torrens, Tapleys Hill Road, Anderson Avenue and the Gulf St Vincent Coast.

A school zone map (guide only) is available at: <https://www.education.sa.gov.au/findaschool>

Student Enrolment Numbers

The student enrolment ceiling for year 8 is limited to 210, unless there are more applications that have met the enrolment criteria below.

The maximum number of international students who can be offered enrolment at the school in the International Education Program is limited to 75 students across all year levels.

Special interest program

The school's specialist sport program is limited as follows:

- Maximum of 45 out of zone enrolments in each year level, depending on in-zone enrolment demand.

Selective entry numbers are included in the 210 year 8 enrolment ceiling. Entries to the program are subject to the eligibility requirements published by the school, available from: <http://www.henleyhs.sa.edu.au/section/programs/specialist-sports-program>

Supported learning centre

The school's supported learning centre is a regional facility catering for a maximum of 24 students with disabilities.

Placement in the supported learning centre is determined through the department's state-wide panel process for placement in an inclusive education option.

*Criteria for Enrolment***Year level: 8**

Applications for enrolment from parents of prospective year 8 students require that the student must be enrolled in a government or non-government school in South Australia at the time the parents apply for enrolment through the Year 7-8 transition process (administered by the Department for Education).

The applicant must meet one of the following requirements to be eligible for a year 8 allocation through the Year 7-8 transition process:

- the child is living in the Henley High School zone
- the child has received and accepted an offer for selective entry by the school to participate in their specialist sport program
- the child identifies as Aboriginal and/or Torres Strait Islander through the Enter for Success program (by the end of term 4)
- the child has been granted enrolment due to special or extenuating circumstances, including but not limited to a child in care where there is a custody or guardianship order made under the *Children and Young People (Safety) Act 2017*.

Application for Year 8 students living outside the zone with siblings currently at the school

Applications for enrolment from parents of prospective Year 8 students, who live outside the school's zone and have older siblings who currently attend the school, will only be given consideration for enrolment if:

- the school is under its year 8 student enrolment ceiling of 210 students as at the end of Week 10, Term 2; and
- the student has applied through the department's Year 7-8 transition process; and
- the sibling did not enter the school through the school's special interest program, and is currently enrolled and will be attending the school in the same calendar year.

In these cases, places will be offered based on the distance of the child's residence to the school and other personal needs such as curriculum, transportation/location convenience, and social/family links.

Late applications for year 8 from students living in the school zone

Families who move into the school zone, or who are already living in the school zone but lodge their application for enrolment after the department's Year 7-8 transition process is completed (end of term 2), will have their applications considered if or when vacancies exist, with priority consideration afforded to those applicants already on the school's enrolment register.

In these cases, applications will be considered based on siblings at the school, the distance of the child's residence from the school and any other personal needs, such as curriculum (excluding special interest programs), transportation/location convenience, and social/family links.

The school will notify parents if a vacancy is available for their child to attend.

If no vacancies exist, the applicants upon request, will be placed on the enrolment register and referred for enrolment to other neighbouring schools.

Year level: 9 -12

Applications for enrolment from parents of prospective students living in the school zone will be considered if or when vacancies exist, with priority consideration afforded to those applicants already on the enrolment register.

In these cases, applications will be considered based on siblings at the school, the distance of the child's residence from the school and any other personal needs, such as curriculum, transportation/location convenience, and social/family links.

The school will notify parents if a vacancy is available for their child to attend.

If no vacancies exist the applicants will be encouraged to remain at their current high school, or referred for enrolment to other neighbouring schools, and upon an applicant's request will be placed on the school's enrolment register.

Out of zone applications with siblings currently at the school

There is no automatic entry for siblings who live outside of the school zone to enrol at Henley High School.

Special Circumstances

Enrolment applications for special consideration based on compelling or unusual reasons, including but not limited to a child in care where there is custody or guardianship orders made under the *Children and Young People (Safety) Act 2017*, may be granted by the Principal in consultation with the Education Director. These applications will be assessed on a case by case basis.

Enrolment Register

Parents whose child's name has been placed on the enrolment register will be contacted if vacancies become available.

The enrolment register will be reviewed and updated annually by the school.

The position that a child's name appears on the register is confidential and will only be disclosed as required by law.

Monitoring and enforcement

It is the responsibility of the parents applying for enrolment to be able to verify to the satisfaction of the school that the information provided is true and factual.

The Principal is responsible for the implementation of this Capacity Management Plan and all decisions on enrolments.

This Capacity Management Plan will be reviewed annually.
