SCHOOL UNIFORM POLICY

All students are expected to wear the school uniform. This decision is affirmed by the School Governing Council, Principal and Staff. We seek parent support for the uniform policy.

- Undergarments can be worn provided that it cannot be seen.

- The make-up of the uniform is decided by Governing Council via the Uniform Sub-Committee in consultation with the Principal, Student and Staff.
- The uniform is intended to achieve the following aims.
 1. Ensure Henley High School students are identifiable when on campus and also when in transit to and from school -this assists with the safety of students off campus and also ensures strangers on school premises are identifiable.
 2. To provide appropriate attire for a work place, particularly when students participate in classes using machinery and food preparation equipment.
 3. To provide families with a known and consistent cost for uniform pieces of consistent quality.
 4. To reduce issues associated with "not wearing the latest trend".
