Dear Parents and Caregivers,

Recently, at the Year 12 graduation ceremony we celebrated twelve years of schooling for the Class of 2016, acknowledging their diverse skills, talents and contributions to the school community over this time. The evening opened with Jye Dodd’s Welcome to Country and Olivia Coppick, Georgia Doecke, Alex Linz and Huiting (Tina) Zeng did an outstanding job as MC’s for the evening. I would like to thank Liz Schnyder for the Principal’s address where she made a comparison of her twelve year journey as the Principal of Henley High School and the Graduating Class’s twelve years of schooling. Georgia, Alex and Aidan Jackson-Drewett presented the Valedictory Speech and we were also privileged to witness performances by our extremely talented Year 12 Music students: Zoe Miller, Olivia Coppick, Jose Presbitero and the Year 12 Band.

I would like to make special mention and congratulate the following award winners:

- SLC Award – Rory MacDougall & William Vandenberg
- Global Citizenship Award - Rebecca Groves
- Steve Georganas Award – Natasha Woodall
- ASBA of the Year Award – Shane Alker
- Governing Council Award – Olivia Coppick
- Josiah Mitton Prize – Teana Bertagno
- Henley & Grange RSL Award – Erica Feeney
- 2016 Sportsperson of the year – Nick Blum
- Paul Caica Award – Callum Swain
- University of Adelaide STEM Award – Leon McCalla
- Principal’s School Spirit Award – Alex Linz
- CALTEX Best All-rounder – Helen Bradley
- Adf Long Tan Leadership & Teamwork Award – Georgia Doecke

Congratulations also to the following Year 11 students who were awarded Top of Subject in a Stage 2 course: Jackson Edwards - Certificate 3 Fitness, Keely MacKinnon – Certificate 2 Jewellery Manufacture, Danny Humphrey – Stage 2 Furniture Construction, Wei Teh – Stage 2 Biology. I would also like to acknowledge the outstanding effort of Junjie Chen who has successfully completed his Stage 2 studies as a Year 11 student. The Dux of Henley High School was not announced at the Graduation but will be announced once the year 12 results are released and presentation of the award will take place at the first assembly in 2017.

Our sincere thanks go to our special guest presenters: Steve Georganas, Mayor Angela Evans, Professor Bob Hill, Paul Caica, Les McNicol, Chris Houltby, Peter Evans and Marg Rigby for their continued support of Henley High School and their willingness to give of their own time to be involved in the Graduation evening.

Thank You to Assistant Principal Mark Adams and the Senior School team: Vanessa Porritt, Jess Thompson, Claire Rieger, Alycia Spencer, Student Services: Chris Gardner, Lisa Cram and Tam Benham and Promotions: Adam Spencer and Donna Richards-Stone and also Jane Doyle for the planning, preparation and running of a very professional Graduation evening.

Last, but not least, I would like to thank all of the Henley High School teachers and you the Parents and Caregivers, for the support and assistance that you have provided to the Graduating Class of 2016, over the past 12 years. I am sure that you will join with me in wishing them the very best for their exams and completion of their coursework and a happy and successful future.

Sandra Moran | Principal
STUDENT ABSENCES
To report a Student absence please report online via our Website or phone Student Services on 8355 7014 or 8355 7015.

TERM DATES
TERM ONE
1st February - 15th April
TERM TWO
2nd May - 8th July
TERM THREE
25th July - 30th September
TERM FOUR
17th October - 16th December

PUBLIC HOLIDAYS
MONDAY 3RD OCTOBER
Labour Day

IMPORTANT UPCOMING DATES

SPORTS PRESENTATION EVENING
Monday 21st November

YEAR 10 EXAMS
Monday 21st & Tuesday 22nd November

YEAR 11 EXAMS
Wednesday 23rd to Friday 25th November

YEAR 7 TO 8 TRANSITION
Thursday 1st & Friday 2nd December

YEAR 8 - 11 PRESENTATION
Wednesday 7th December

If you have already received an email about this event please use the link that was included in the email.
MATHEMATICS COMPETITION RESULTS

Students from Henley High School recently participated in the Australian Mathematics Competition (AMC) and the International Competitions and Assessments for Schools (ICAS) Mathematics Competition. Both competitions are highly challenging in nature and provide the ideal opportunity for students to test their mathematical prowess, whilst honing their examination skills, providing the ideal preparation for Year 12 examinations.

The AMC was introduced in Australia in 1978 as the first Australia-wide mathematics competition for students. It has become the largest single event on the Australian education calendar, allowing students to attempt the same tasks on the same day in over 30 countries around the globe. This year, we had 13 students participate in the competition, who collectively achieved 2 High Distinctions, 5 Distinctions, 4 Credits, 1 Proficiency and 1 Participation award. Of special mention are Rafael Chowindra (Year 9) and Zihong (Annie) Qu (Year 11) who each received a High Distinction, meaning they were in the top 3% and 5% of participants, respectively.

The ICAS Mathematics Competition, whilst introduced more recently, attracts many students from over 20 countries worldwide. This year in the ICAS Mathematics Competition, 21 Henley High students participated, collectively earning 3 Distinctions, 2 Credits, 2 Merits and 14 Participation Certificates.

We congratulate our students for their success in the 2016 mathematics competitions.

Tom Mayfield | Mathematics Teacher

SLC3 CARING FOR PETS

During Term 4 SLC 3 have been learning about Community Service. Many of us have pets and thought it would be good to collect for an organisation that cares for animals as we do, the RSPCA.

As of Tuesday 15th of November outside the School’s Front Office doors from 8:15am to 4pm there will be a collection bin for donations to the RSPCA. We are asking for your support by donating items such as: Food like Biscuits, Cans or Treats/Toys/Blankets/Dog Clothing/Bedding/Harnesses/Leads/Collars/Bowls

RSPCA NEEDS YOUR HELP!
Your support is appreciated, thank you.

SLC3 Students
PERFORMING ARTS TOUR TO THE USA

At the end of term three, a group of 18 Henley High School students and teachers, Ms Madigan and Mr Pascoe, travelled to America to learn more about the Performing Arts in a global context.

Our first stop was New York, the city that doesn’t sleep. On our first day in New York we got to experience lots of amazing things from the beautiful Grand Central station, the High Line, the Chelsea markets, a rainy Brooklyn to get a view of the Manhattan skyline and Fifth Avenue. The following days involved cultural excursions to the American Museum of Natural History, the September 11 Memorial and museum, Time square, Central Park, and Liberty Island to get close to the statue of Liberty. These excursions gave us an idea of what it’s like to live in New York and also how significant events have shaped this city, its people and the rest of the world.

We also experienced some fantastic Performing Arts activities including two Broadway shows (Aladdin and Wicked); workshops in stage combat and learning the choreography and vocal to Arabian Nights, a song from Aladdin and Q&A’s with working performers and technicians. Talking to people working in the Arts industry in New York was an amazing way to get to understand the multitude of career pathways that are available in the Performing Arts.

After all this we left New York having formed lots of amazing memories, we then got on another plane to Los Angeles. In LA we didn’t have as much time but we certainly had a lot fun. On the first day we had a tour of Hollywood Boulevard then got to make our own movie. We had received the script to a zombie movie before the trip and on our first day in LA we got to make the movie; working with a professional director, cameramen, makeup artists and sound and lighting technicians. Many of us were made up as zombies with professional makeup and lots of fake blood. Our drama students and digital film makers learnt an enormous amount of what it takes to create a short film.

The next day we spent at Universal Studios going on rides and exploring the worlds from some of our favourite movies, and that night we got to see the lights of LA from the Griffith Observatory. We then travelled to Anaheim, spending two days exploring Disneyland and California Adventure Park. We all went on rides, met characters and participated in a workshop where we got a unique insight into the backstage workings of the current Disneyland show.

Overall the trip was an amazing and unforgettable experience, and we would all highly recommend this tour to any students that gets the opportunity to go in the future.

Alice Murphy and Elisabeth Sykaras I Year 11 Performing Arts Students
SSP DANCE STUDENT SUCCESS

Congratulations to year 11 Dance student, Laura Dimas, who received exceptional results at SA Dance competitions. Laura successfully won 14 medals, 2 ribbons and the Senior Ballet Scholarship, Senior Tap Championship and Senior Modern Championship. She won prize money and a week of workshops at the National Ballet Theatre in Melbourne.

Laura Eitel and Megan Cooper I Teachers

EVENING OF DANCE PERFORMANCE 2016

In week 10 of term 3 all Dance and SSP Dance students performed to friends and family at the Odeon Theatre in Norwood for our Evening of Dance performance. All term our students have been learning and rehearsing dance pieces in a variety of styles, and their hard work and dedication made the night a success. We would like to especially acknowledge and congratulate the Stage 2 Dance students as this performance was their external examination and their last performance as Henley High School students.

It was a privilege to be able to perform in a professional theatre, and our students treated the space respectfully and behaved with maturity. We were also lucky enough to have Mr Cox’s Cert 3 Technical Production students working with us, confidently handling the lighting, sound and projection to make the show run smoothly. We would also like to extend our appreciation to the audience members who braved the wild weather Adelaide was experiencing to come and support the show.

Laura Eitel and Megan Cooper I Teachers

MIDDLE SCHOOL SHIELD UPDATE

The Middle School Shield currently stands with Lowitja retaining 1st position. The most recent points were allocated for the most Academic Achievements in each Sub School from Term 3’s results and for the best Sub School average GPA (Grade Point Average).

The finish line is in sight! The Shield will be presented at the 8 to 11 Awards Presentation in Week 8 with only one major event remaining! Good luck to all Sub Schools!

1st – Lowitja on 51 points
2nd – Mitchell on 46 points
3rd – Mawson on 41 points
4th – Florey on 37 points
5th – Oliphant on 21 points

Jade Ambler I Middle School Coordinator
GOLF TOURNAMENT RESULTS

A number of students have played at various golf tournaments around the country recently and performed very well. Below are some of our results.

**Srixon International Junior Classic Golf Tournament** played in the Hunter Valley. This event attracted a very high level of competitors featuring players from all around Australia as well as international players from places including Japan, Hawaii and Canada.

14 years & under - 2nd, Jack Buchanan (out of 100 players)

17 years & under - 18th, Jamie Smith (out of 145 players)

**Garry Player Classic** at the Pacific Golf Club in Brisbane. This event attracts many elite junior golfers from around Australia

15 years & under - 2nd, Liam Kennewell (out of 70+ players - Lost in a playoff)

**Victorian Junior Amateur Open** at the Yarra Valley Golf Club. This is an under 18 event open to any junior amateur golfer around Australia and the world with a handicap limit of 14.4.

Girls - 11th, Charley Jacobs (out of 40 players)

Boys - 34th, Jack Buchanan (out of 125 players)

**South Australian Amateur Open**

Women - 7th, Charley Jacobs (out of 15 players)

Men - 24th, Jack Buchanan (out of 68 players)

**Faldo Series Malaysia Championship** – at the Sabah Golf & Country Club. This event is open to Malaysian players 21 years and under

Darren Kong 11th overall out of 30 players, 5th for 18 years and under category

Congratulations to all players who produced some fantastic results and gained further experience in tournament play against some exceptionally talented golfers around Australia and overseas.

Adam Spencer I SSP Golf Manager
9-A-SIDE FOOTBALL CARNIVAL FOR PARA-ATHLETES – SUCCESS FOR ALL PROGRAM

Henley High School had the pleasure of hosting the Para-athletes football carnival once again this year and it was a huge success. Para-athletes from Golden Grove High disability Unit, Adelaide East Education Centre, Hamilton Secondary College, Salisbury High School, Modbury High School and Henley High School Supported Learning Centre, all participated in the 9-a-side football carnival.

The objective of the carnival was to maximise the participation and sense of enjoyment for each athlete. I believe this was achieved through the help of the following;

- David Phillips (School Sports Officer) for promoting and helping organise the carnival
- Year 9 AFL SSP students for umpiring the games
- Year 11 AFL SSP students for coaching the teams
- School coordinators for their organisation and nominations
- All SSO's and teachers who made the trip to Henley High and helped their respective teams
- Mr Venning for organising training/coaching sessions for the year 11 AFL SSP students and Henley para-athletes
- Andrew Anger and Nathan Pepper for promoting football to students with disabilities and providing further opportunities for our para-athletes to be involved in football

Finally, a huge thank you to the para-athletes for bringing lots of enthusiasm, energy, excitement and healthy competitiveness.

Partnering students with and without disabilities helps to facilitate cooperative relationships among these students. To provide this opportunity and encouragement, Henley High School has implemented an effective strategy called the Success for All Program. Through sport, a peer coaching and mentoring program was designed to promote respect for differences and interaction among our students from the Supported Learning Centre (SLC) and the Specialist Sport Program, and Sport and Recreation students from mainstream.

Please read the following comments and hear what our students from the SLC had to say about their mentors at the 9-A-Side Football carnival.

“I had fun! We played like a team and I kicked eleven goals.” – Wil

“My mentor is Jack. Jack helped me to kick the football.” – Bethany

“I enjoyed playing 9-a-side football with my friends.” – Anthony

“My mentor, Toby said I was good at playing 9-a-side football.” – Aline

We are pleased to say that the Success for All Program has created a positive school experience that enables students to interact cooperatively with each other and benefit from gaining an appreciation for diversity in general.

Thank you to all involved and we look forward to seeing you all again next year.

Ben Kane I AFL SSP Coach
Kerrie Dianos I Supported Learning Centre Teacher
MEET THE STAFF
Each Newsletter we will introduce you to a few of the Henley High School Staff Members

FRED JARRETT

**Position:** Assistant Principal – English, HASS, Research Project and Training and Development

- **How long have you worked at HHS:** 8 Years
- **Number of years teaching:** 17 years
- **Previous experience/schools:** Le Fevre High School, Brighton High School, Mercedes College
- **Describe what you do:** I am responsible for ensuring the curriculum and teaching of English and the Humanities and Social Sciences from Years 8 to 12 is delivered by teachers according to the national and SACE guidelines. I am also responsible for ensuring that staff support students to complete their Research Project. My other responsibility is to facilitate training and development for staff at Henley High School.
- **What subjects do you teach:** I currently teach Year 11 English Literary Studies and Year 8 English, but normally teach Year 12 English and Middle School English as well as History and Geography
- **Why did you choose to teach in this area:** I enjoyed History as a high school student, and have a strong interest in how history still influences us today. My passion for English was developed in university where I heard a lecturer speak in Old English (very similar to German of the time).
- **Career aspirations:** To continue in leadership roles either at Henley or another school
- **Tell us 3 non work facts about you:** I enjoy playing indoor cricket and have played with the same team and same people for about 20 years.
  I enjoy reading science fiction novels for fun.
  I have travelled to five of the seven continents and am looking to add the last two in the near future.

MONIQUE WOOLMAN

**Position:** SSO - Home Economics and Arts Faculties

- **How long have you worked at HHS:** 7 years
- **Number of years with DECD:** 7 years with DECD and 27 years in Government
- **Previous experience/schools:** Flinders Hospital, Department for Housing and Construction, one year overseas traveling, State Bank Royal Commission. HHS/ Receptionist, CIS accreditation
- **Describe what you do:** Support Home Economics and the Arts faculties. Organisation and collation of food orders for lesson preparation, input student database for instrumental lessons, maintain and order catalogue equipment, create posters and displays for performances and events, organise overseas excursions.
- **Career aspirations:** Currently I am happy to continue working at HHS. I love what I do and the people I work with.
- **Tell us 3 non work facts about you:** I love dogs, and have a 1 year old Kelpie that goes everywhere with me.
  I love surfing, camping and the beach.
  I am a member of the Henley Life Saving Club and hold a Bronze Medallion.
HENLEY HIGH SCHOOL
OLD SCHOLARS

Every Newsletter we will chat with one of our Old Scholars. You may remember attending school with them. Get in touch and reconnect!

We will also keep you up to date with any Old Scholar events being held at the school.

If you are an Old Scholar, then please register your details via this link

SAM MCCARTHY

Last year at HHS -
1986, year 12. I then went to Uni SA and Adelaide University.

Current city of residence –
Adelaide (Stirling), although my work has taken me to every State in Australia.

Where do you currently work -
I have my own business, Remote Contracting Specialists, and we do civil engineering construction in remote locations across Australia. We have recently been working in the APY Lands building roads and in the Kimberley region designing the upgrade to the 5th most remote airstrip in the world.

What are 3 things you are passionate about -
My family (children Charlie, Hannah, Ryan and Matilda), my relationships with personal and business friends and network, and living an active life of morality and integrity.

Favourite HHS memory -
Playing football for the school and the close association with the Henley Sharks. School sport and extracurricular activities is so rich in value for people, the school and the community.

I am very thankful for the high quality education that I received at HHS, it has been so important to everything that I have done subsequently.

WESTERN TEACHERS COLLEGE REUNION

Looking for students who attended Western Teachers College, South Rd, Torrensville in the late 1960's/ early 1970's.

Please contact Vincent Johnson

SCHOLARSHIP AUCTION COMPETITION

REISA Scholarship Auction Competition

How does it benefit your school:
$4,000 scholarship for CPP40307 Certificate IV in Property Services (Real Estate) for every student participating in the auction competition who successfully completes all aspects of the training, mentoring and competition.

The winning student’s school will receive $2,000 worth of school supplies from Officeworks.

Nationally accredited training with SACE points.

Student winner and runner-up to compete in the Australasian Auctioneering Schools Championship in Adelaide 2017.

How does it benefit the student:
Winning student will receive $1,000 and runner-up $500.

Winning student and runner-up to compete in the Australasian Auctioneering School Championship being held in Adelaide 2017.

All students that participate in the REISA Auctioneering competition and successfully complete all required aspects will receive a training scholarship for CPP40307 Certificate IV in Property Services (Real Estate) valued at $4,000 (conditions apply).

The auctioneering course consists of 55 nominal hours of Nationally Accredited training:

• CPPDSM4019A Prepare for auction and complete sale (20 nominal hours) and
• CPPDSM4004A Conduct Auction (5 nominal hours).
• BSBCM401A Make a presentation (30 nominal hours).

Students will develop:
• Public speaking skills
• Self confidence
• Social relationships
• A deeper understanding of real estate
• Sales techniques
• Presentation skills

Requirement of students:
Currently enrolled in SACE 1 or 2

The students are required to do three Nationally Accredited units as part of the competition. The students will have contact time for study with REISA facilitators and in July 2017 they will be in an auction competition (practical workshop).

These six contact days for participating students must be completed in the following:

• Four compulsory consecutive days in the school holidays 18th April to 21st April 10am - 3pm then

Options:
• One afternoon (either Monday or Wednesday) every week from 1st May to 7th July from 4:30pm to 6pm and/or
• Monday and Tuesday 10th July & 11th July 10am - 3pm

Skills competition is being held on 13th July 2017

Once the students have completed all areas of the competition, they will be awarded their Scholarship (Certificate IV in Property Services) which they can continue to study throughout the remainder of the year (816 nominal hours) which can be done over 36 months. They are able to do this online, at night classes or joining classes in the school holidays.

Denise Luker Career and Community Partnerships Manager from Seaford Secondary College is happy to discuss the outcomes from the 2016 Competition as two of Seaford’s students entered the competition.

Deciding what to do after school?
It’s never been a better time to start a career with SA Police.

A career as a police officer gives you experiences and challenges that can’t be found anywhere else. Variety, excitement, responsibility are all a part of your everyday work.

As a police officer you:
- Earn as you learn at the Police Academy.
- Experience something different every day.
- Enjoy great pay plus shift allowances.
- Become part of a special team.
- Make a difference to your community every day.

If you are over 18 or turn 18 before June 2017, and meet the application requirements, SA Police has a position for you.
