Dear Families & School Community,

Friday September 11th saw the fifth running of the Caica Cup, a whole school sporting challenge between Henley High School and St Michaels College. Named in recognition of the support Federal Member Hon Paul Caica gives to both schools, the Caica Cup was originally created to celebrate the relationship that the two schools have. The schools have developed quite a friendly rivalry over the last few years, but it is the great spirit in which all of the matches are played which underpins the success of the day. The competition between the schools is always tough and this year was no exception.

Results seemed to be very tight during the early events, however as the day progressed Henley managed to take charge and come away with a convincing victory with the scores 13 events to 7.

This means that Henley retains the Caica Cup and takes the tally to three wins for Henley and two to St Michaels, which is a true reflection as to how close the competitions have been.

A big thank you to the sport coordinators at St Michaels College, Jordan Young and Kate Didyk, for helping to coordinate the event, and Mr Paul Caica for his ongoing support of both schools.

Of course a huge thank you to all of the staff and students involved from both schools, as this is what the day is really about. We had over 200 students and 15 staff involved in the day, and if it wasn’t for the assistance and support from the schools administration then the day wouldn’t go ahead.

Below are the scores from the day along with the participant from the winning team who was awarded a medal for being the ‘Best Player’.

Enjoy the holidays.

Liz Schneyder
Principal

---

RESULTS

- **Golf:** 6.5 – 1.5 WIN (Medallist – Jamie Smith)
- **8/9 Girls Basketball:** 74 – 33 WIN (Medallist – Sydney Wright)
- **8/9 Girls Soccer:** 4 – 1 WIN (Medallist – Meleri Mullan)
- **8/9 Girls Netball:** 37 – 40 LOSS
- **Open Girls Football:** 14 – 50 LOSS
- **Open Girls Hockey:** 7 – 0 WIN (Medallist – Melissa Gardner)
- **Junior Tennis:** 8 – 0 WIN (Medallist – Deyan Sarac)
- **Senior Tennis:** 11 – 0 WIN (Medallist – Chloe Hule)
- **8/9 Boys Basketball:** 65 – 25 WIN (Medallist – Caleb Smith)
- **Surf Lifesaving:** 11 – 2 WIN (Medallist – Jesse Ellis)
- **Open Girls Basketball:** 68 – 45 WIN (Medallist – Olivia Wormald)

- **Open Boys Basketball:** 55 – 38 WIN (Medallist – Matt Fauser)
- **8/9 Boys Soccer:** 2 – 4 LOSS
TERM DATES
TERM ONE
27th January - 10th April
TERM TWO
27th April - 3rd July
TERM THREE
20th July - 25th September
TERM FOUR
12th October - 11th December

UPCOMING EVENTS
THURSDAY 22ND OCTOBER
Year 12 Graduation
MONDAY 26TH OCTOBER
Round Tables

PUBLIC HOLIDAYS
MONDAY 5TH OCTOBER
Labour Day

STUDENT FREE DAYS
MONDAY 12TH OCTOBER
First day of Term 4

STUDENT ABSENCES
To report a Student absence please report online via our Website or phone Student Services on 8355 7014 or 8355 7015.
TERM 3 REPORTS
Your child/s report will be available online via the Parent Portal after 4pm Friday 25th September.
Below is the path to access your child/s report.
1. www.henleyhs.sa.edu.au
2. Scholaris Portal Login
3. Login using Username and Password previously provided.
4. Click on My Child
5. Click Progress Tab
6. Select ‘Student Report Term 3 2015’
Please email Nat.Harrison@henleyhs.sa.edu.au if you have any issues at all with this process or if you require your passwords.
Please note Passwords will not be distributed over the phone, only via email due to the sensitive nature of the information. Please be aware that it is school holidays and most staff will not be available immediately. Your queries/concerns will be attended to as soon as possible.

PLP YEAR 8, 9, 10 ROUND TABLES MONDAY 26TH OCTOBER
All Parents and Caregivers are invited to attend their child's PLP Round Table presentation on Monday 26th October, Week 3, Term 4.
On this day, Year 8, 9, 10 students will only be required to attend school for the time of their Round Table presentation.
Presentation times will be available to be booked online at the start of term 4.
Full school uniform must be worn by all students attending Round Table presentations.

DIRECT DEBIT PAYMENT OPTION
The Finance Office is pleased to announce that we are implementing a Direct Debit payment option at Henley High School.
The implementation of the direct debit facility is expected to provide the following benefits:
Increased options for parents for the payment of Materials and Services Charges and other charges.
Peace of mind knowing your bills are automatically being paid.
If you have any queries about this payment option and are interested in signing up for the new facility, please contact a member of our Finance Office on 83557008.
8/9 GIRLS INDOOR SOCCER BACK-TO-BACK CHAMPIONS

The 8/9 girls were crowned back to back indoor soccer champions on Wednesday 23rd of September, winning the State Indoor finals held at MARS stadium. The girls won through to the state finals earlier in the term, finishing top of their pool and remained undefeated during the qualifying round. In the finals, the girls also remained undefeated winning 4 games in a row to win through to the grand final against Gleeson College. The girls saved their best performance for last and dominated the final winning 7-3. The team consisted of a mixture of year 8 players: Jessica Woolman, Greta Hutchinson and Mackenzie Bourke and year 9 players Meleri Mullan, Trinity Tytler-Kelly, Jordan Tsamaidis, Jazmin Kehagias and Jasmine Styles. The girls have now won the opportunity to face Melbourne based Specialist sport Soccer schools St Monica’s in term 4, in the Interstate Challenge. Congratulations to the girls on another great result!!

SSP Soccer Manager

SSP GIRLS IN LEADERSHIP DAY

On Thursday the 17th of September seven Henley High School year 9/10 SSP athletes from a variety of sports attended the Girl Power Leadership Day at Port Adelaide Football Club. The girls all thoroughly enjoyed the day which consisted of a number of informative sessions that the girls were able to learn and participate in. The highlights of the day were listening to Russell Ebert talk to upcoming AFL draft hopefuls about their goals, a team building activity run by Army Recruit, a tour of the Port Adelaide facilities, a goal setting session, and the day finished off with a yoga session. However, the girls took the most out of a talk from South Australian Swimmer Sally Hunter who is a duel Olympian and Commonwealth medal winner. Thank you to the Port Adelaide Football Club for supporting our girls in their pathway to achieving their future aspirations.

DESIGN AND TECHNOLOGY STUDENT PROJECTS AT THE ROYAL ADELAIDE SHOW

The Royal Adelaide Show and in particular the Technology Show provides an opportunity for students to have their work judged by an external authority and facilitates the display of their work to a greater audience. At this year’s event, the Design and Technology faculty selected six student projects for exhibition.

The following entrants were successful and won awards in the following categories:

MATERIALS TECHNOLOGY

1st. Place: Kadiatu Kamara

3rd. Place: Amy Edgar-Barcelo

COMBINATION OF TECHNOLOGIES & MATERIALS

1st. Place and Best in Show: JunJie Chen Ming

3rd. Place: Wei Teh

Work was entered also entered by Meleri Mullan and Franco De Angelis.

We congratulate and thank students for allowing their projects to be used in this exhibition.

Angelo Piantadosi
Design & Technology Coordinator
**CHILD STUDIES PLAYGROUP ACTIVITY**

On Thursday 17th of September, the year 10 Child Studies class had a visit from the local Kindergarten as the final stage in their playgroup assignment. The task was to, in groups, create their own activity appropriate for a 4-5 year old, which would not only be fun and stimulating but also help develop a certain aspect of the child’s learning. There was much to consider and weeks of extensive research and planning took place leading up to the event.

The task was based around answering the question of ‘How are playgroup activities supporting child development, enhancing health and wellbeing and promoting confidence, independence and resilience in readiness for primary school?’ Each group had a different development focus, being either physical, emotional, social or cognitive and made sure to consider safe management practices and group collaboration as well as the health and wellbeing of the children involved. Each group worked to make the environment safer by removing any hazards as well as making it more colourful and inviting, which produced excellent results and engaged each and every child. We received exceptional feedback from all of the kindergarten staff and it was a great opportunity for Henley High to create more local ties within the community. Each group was very proud to experience such great success with their activities! My role on the day as photographer allowed me to capture the following moments:

NEW CALEDONIA EXCHANGE

On Saturday the 5th of September, 16 students and 4 teachers from College Georges Baudoux, New Caledonia arrived in Adelaide for an 8 day exchange with the Henley High School choir group. The students engaged in many different activities while they were here. Some of these activities included going to the Royal Adelaide Show, a trip to the city, ice skating, Zoo Snooze and performing at the year 11/VET class Music Night.

The New Caledonian buddies also had the opportunity to attend our classes here at Henley and see what school is like in another country. Along with this, they also stayed with their buddies, at their homes for the week, which would have been a scary but amazing experience.

The New Caledonians learnt a lot about the Australian culture and how we live. They have experienced cultural foods such as vegemite and milo.

We had so much fun sharing our culture and way of life with the New Caledonians and we are just as excited to head over there in week 10 to experience what their life is like.

Written by Annie (Year 11), Kate (Year 9) and Taia (Year 12)
ALPINE TOURISM SKI TRIP

During Week 7 of Term 3 the Year 11 Alpine Tourism class completed its one week snow experience. This year there were 19 students that ventured to Mt Buller to test themselves against the slopes. Seventeen of the students were about to experience snow for the first time and for many they were excited but a little apprehensive. The group flew to Melbourne early Sunday morning and took a bus up to Mt Buller by lunch time. The feedback from all the students was unanimous that snow skiing or boarding was a sport they would all try again and many asked about employment on the mountain as a gap year experience.

As you can see from the photographs in this article the weather was blue skies for all five days, this provided a perfect learning playground for the students.

Ashleigh Noll
Digital Media Design and Art teacher
As my first experience skiing, I had a great time. I was extremely excited with the idea of skiing, and also seeing snow, as I’d only seen it once before. The first day was full of many attempts to not fall, with many spectacular tumbles, eventually ending in several successful runs with no stacks. Ski School was an adventure in itself, attempting to learn the basics of first moving and then the most important aspect of skiing - stopping. Though it took a while to master the snow-plough, getting on the slopes boosted my confidence and though I fell many times, I’ve come a long way from someone who couldn’t ski to someone who did Family Run without falling over, and I can’t wait to go again tomorrow.

Alex

When I woke up this morning I was so excited to go out and get into the snow for the first time in my life. I then realised it was 4:00am so I tried to go back to sleep but I just couldn’t, out of the excitement of thinking at I will actually be in the snow today. We started off the day with a lovely cooked breakfast and we headed off to the slopes.

Ethan

The faster I went the easier and more fun carves became, I used the heel side stopping less and I was more confident with the speed. We also did the Shaky Knees run about 3 times, I really enjoyed this because it was fast, thick snow and it looked cool spraying snow in the air when you carved. I hope to improve my toe side tomorrow so I can apply this to my carving. Tomorrow it would be cool to learn how to stop on your toe side.

Jordan
SSSA AWD AFL 9’S CARNIVAL
HOSTED BY HENLEY HIGH SCHOOL SSP AFL

The AWD (Athletes with Disability) 9-a-side Football Carnival held at Henley High School on 17th September, like 2014 it was played in fantastic sunny weather conditions and even better spirit.

The vibrant energy and enthusiasm that the AWD teams played with was a real highlight of the day as was the way in which the AWD teams interacted with each other in a semi competitive environment.

Henley High Schools Year 9 SSP AFL students umpired the carnival and were extremely vigilant and consistent in making their calls on the rules of the game. We were extremely proud of the manner in which they conducted themselves as umpires to promote fair play and equity in play amongst teams and individuals.

The SSP AFL Year 11s further developed upon their coaching skills and the relationships they have built with the Henley SLC students and staff through their management of 1 x Division 1 and 1 x Division 2 Henley High team.

Legend now has it that Hawthorn Coach Alistair Clarkson used the motivating speech of HHS Div 1 coach Lachlan Fairall, to fire the Hawks up in their demolition of the Adelaide Crows in the recent final. Lachie’s speech took his HHS Division 1 team from a scoreless first half to a 2 point win against the odds in a match against Salisbury.

I am positive that this coaching experience will be one the Year 11s will be able to reflect on with many laughs and fond memories in their future.

The program labelled ‘Success for ALL’, was yet again just that and possibly a little more!

Thank you to Kerrie Dianos and all SLC staff in supporting our SSP AFL Students and the carnival

Paul Thomas  
SPESS Curriculum Coordinator
