Dear Parent/Caregiver,

2024 Laptop Program | Year 7 Student Information

Our school community has made a commitment to be a digital school. All students are supported to have access to a computer and are then helped through their learning to become digitally adept.

- As part of the Henley High School Laptop Program, students can purchase 2 laptops over their 6 years of secondary schooling. A new laptop is provided in Year 7 and a second new laptop can be purchased for Years 11 to 12. This ensures that laptops are performing at the optimal level when students are entering their senior years of schooling. We strongly recommend the purchase of a second laptop as the maximum warranty period available is 4 years. After the warranty period, limited support will be available for these devices including the availability of parts and the accidental damage protection policy.
- The cost of each laptop is \$1400. This amount can be paid for in full or as 2 payments of \$700 payable over two years. The first payment of \$700 is required in full prior to the collection of the laptop. For those who choose to opt in, the second laptop will be issued for Year 11 and 12. These will be purchased towards the end of Year 10 and issued at the end of the year, ready for the start of Year 11. Please be aware that the optional second laptop will not be issued if there are outstanding laptop-related debts owed to the school. There are payment plans available that can be negotiated through the Finance Office on 8355 7008.
- A daily borrowing option is available to students whose parents do not wish to participate in the Laptop Program. A laptop will be provided for daily use within school hours only. Daily borrowing is only available to students until the end of Year 10. As there is no provision for daily borrowing for Year 11 and 12 students, the school will make contact with the parents of those students to discuss options for purchase of either their existing Daily Loan laptop or a new laptop.
- All laptops are covered by a 4-year manufacturer's warranty. The warranty covers manufacturer's defects and normal use of the laptop. It does not cover negligence, abuse, malicious or accidental damage (eg cracked LCD screens are not covered under warranty).
- All laptops have textbooks and the required software for classes loaded (to a value in excess of \$3000). Specialist software can be deployed as needed. These devices will be fully supported by the school's IT staff.
- Powering or charging of devices at school will not be possible due to WHS compliance advice.
- The laptop remains the property of the school. The laptop may however be offered to the student at the completion of their studies as a part of the school's disposal of asset policy.
- Please note, as per Department for Education requirements, non-school or privately purchased laptops are not permitted to be used at school due to licensing and software agreements.

We acknowledge and recognise Aboriginal and Torres Strait Islanders as the First Nations people of Australia. Henley High School is on Kaurna Land. We pay our respects to the Kaurna people, the Elders both past and present and their spiritual relationship with country.

Student's responsibilities:

- Given that students will have responsibility for an expensive electronic device it is expected that when not in use it will be locked securely in their locker.
- Laptops must be brought to school fully charged to last for a full day of learning.
- Students leaving school before the full term of the laptop contract have the choice of either returning their financially up-to-date laptop to the school in good working condition or paying off the remaining contract fees and retaining the laptop, at which point an invoice will be generated.

It is recommended that parents and students refer to our laptop program booklet on our website www.henleyhs.sa.edu.au for further detailed information.

Please read and sign the contracts overleaf and return this form to the school as soon as possible. If you have any further questions or queries please do not hesitate to contact IT Services via email ICTservices@henleyhs.sa.edu.au.

Yours sincerely,
