Year 7 SLC DU Transition Guide

This guide is for parents and caregivers of students starting in the Supported Learning Centre Disability Unit (SLC DU) in Year 7.

Your
Journey

Your
Journey
///

A student's journey through school is one of life's greatest and most important adventures.

School guides, and shapes, and transforms. It allows students to explore – explore new ideas and concepts, new ways of thinking and feeling, new ways of being. It tests students. It pushes them beyond their limits, again and again. It strengthens them, developing their resolve to become the person they are meant to be.

School helps provide purpose, revealing in students passions and pursuits that may remain with them for the rest of their lives. It gives them direction – a path to follow beyond the voyage of school, where the next great journey awaits.

At Henley High School, our vision is to prepare our students to flourish in an evolving and challenging world. We value the school journey and are dedicated to helping each student grow and become their best self, able to adapt, respond and contribute as a resilient, ambitious and contemplative human being.

Like a boat sailing on the ocean, a core symbol of Henley High School, a student is free to make their own journey. Our students aren't alone as they set out. Just as our boat has four sets of oars, so too do our students:

- ✓ Our school with its committed teachers and staff
- ✓ The student's parents and family
- ✓ Their friends and the local community
- ✓ The students themselves.

All are driving their oars, helping the student on their journey, to strive, to seek and not to yield.

Henley High School acknowledge and recognise Aboriginal and Torres Strait Islanders as the First Nations people of Australia and that they are the traditional owners and custodians of the land and waterways throughout our country.

Henley High School is on Kurna Land. We pay our respects to the Kurna people, the Elders both past and present and their spiritual relationship with country.

The Henley High School community is excited to welcome our new Year 7 Supported Learning Centre Disability Unit (SLC DU) students and families. We understand that the transition from primary school to high school is a big milestone and we want to make this process as simple as possible for you and your child.

This Transition Guide has been prepared for parents and caregivers of SLC DU students starting in Year 7. It contains all the information you need to prepare your child for the start of their high school journey. It includes details about a number of forms that need to be completed before school commences and other important information.

Please work through this document to ensure your child's best success for their first weeks of high school.

Homestay

Henley High School boasts a quality International Program with 60 to 80 international students enrolled at our school at any one time.

These students, hailing from all around the world, rely on local families to provide them with accommodation, meals, facilities, study support and perhaps most importantly, a caring and supportive environment in which to grow and learn.

Starting with a 2 week Study Tour can be a great way to experience and trial being a homestay family, without the long-term commitment. If you and your family thrive in that environment, then you may also like to consider a longer-term homestay experience that can range from 6 months right the way through to graduation.

Welcoming an international student into your home is a wonderful and mutually rewarding experience. You and your family are able to learn about the language, culture, customs and traditions of the student's home country, make a meaningful and lasting impact in their lives and you get to foster lifelong friendships. Plus, you receive a homestay allowance to cover the costs of hosting an international student.

Register your interest

To register your interest in becoming a homestay family, please complete our Homestay form:
