## STUDENT AGREEMENT

I have undertaken all steps outlined on this expression of interest form including completing the HHS – VET Expression of interest online form.

I have spoken with my parents/caregivers about how I will keep up with the requirements of this VET course as well as the requirements of my other school subjects, despite being away from school for VET training.

## PARENT/CAREGIVER ENDORSEMENT

I have discussed this expression of interest form with my child and endorse the selection of this training as a meaningful step in their pathway.

I have discussed the commitment requirements for the course, such as attendance and maintaining progress in school subjects with my child.

I acknowledge that course costs will need to be paid prior to the course commencing in 2026.
